

**Lav Chaturvedi**

Executive Director & Chief Executive Officer
Reliance Securities Group

Lav in his current role leads a gamut of businesses across Broking & Distribution, Investment Advisory, Alternative Investments including Proprietary Trading & Structured Products, amongst others. He laid down the building blocks for Asset Management franchise covering Portfolio Management Services & Alternative Investment Funds, which will sling-shot the group into a complimenting business horizon.

He also plays a key role in guiding the commodities exchange business – ICEX, which is focused on converting to a universal exchange.

Prior to joining Reliance Securities Group, Lav was the Chief Risk Officer at Reliance Capital for over a decade, where he gave pivotal contributions to the franchise including obtaining CIC approvals & establishing businesses such as asset management, incubating & monitoring new initiatives for acquisitions, working closely with regulators & board members for setting a robust policy, risk management framework & governance processes across the group.

Before joining Reliance Capital, Lav worked for top brands including IPS Sendero, subsidiary of Fiserv (a Fortune 500 Company) USA, SBU Bank New York & Arthur Anderson.

Lav has an MBA from Syracuse University, New York. He is also a Chartered Financial Analyst from the CFA Institute, USA.
